

Twin Girls Born To Walteria Mother

by BETTY MITCHELL
DAVENPORT 6-4438
The JFF Club held its monthly meeting in the Reception room recently. The evening was a very busy one since a meeting of officers was held for the coming year. Those elected were: Edith Bucking, president; Loughridge, vice-president; Barbara Taralidson, secretary; Conze, treasurer; Elsie, for publicity; and Eva Kel-

The next regular meeting will be held on Aug. 18 at the Recreation Hall and the ladies will spend the evening sewing on a quilt. All the members are asked to bring needle and thimble, along with a smile.

The stork got in his innings this last week when he visited two homes in our community. Mr. and Mrs. Roy Cornell are proud parents of a new baby girl christened Cathleen K. Y. Cathleen made her appearance on Thursday morning, July 23, at 8:54 at the San Pedro Community Hospital. She weighed 7 pounds, 9 1/2 ounces. She will join sisters Pamela and Karen in the family home on Ward St. Grandparents of the new arrival are Mrs. Cornell of Altus, Okla., and Mr. and Mrs. J. P. Geesey of Tappan, N. D.

Double trouble for Mr. Stork, and double pleasure for mom and dad was delivered at the home of Mr. and Mrs. Robert Hawkins, Senefeld Dr., when twin girls made their appearance. The girls arrived on Sunday, July 19, at the Gardena Hospital. Margaret had the better of her sister, since she weighed six pounds, 13 ounces, while Catherine weighed an even six. They will join older sisters Becky and Mary Lou at home.

Lunch at the Pacific Palisades Park in Santa Monica was on the bill for Mrs. Ethel Mosley, Miss Joan Bounds, and Mrs. Mollie Dowd last Tuesday afternoon. After the lunch they made the rounds of Farmer's Market.

Glad to hear that Mrs. Betty Donahof of Hawthorne Blvd. is recuperating nicely at home after a visit to the hospital.

Mrs. Nina Alexander of Warrensburg, Mo., is visiting her daughter, Mrs. Arline Crockett and husband of Glenoee Way.

The sun can be either a boon or a misfortune during this hot weather, as Mrs. Eva Kelley, of Park St., found out last Monday when she was working in her garden and suffered a near sun stroke. She is doing fine now as long as she avoids Mr. Sun for a while.

Most welcome visitor at the Dwight Gunn residence on Rain-tree last Thursday to Saturday was Dorothy's brother, Nick Jankovich. Nick, who is a pilot of a private plane, was able to take a couple of days off while out here with his employer. All of it was a complete surprise to Dorothy, whose first knowledge of the visit was the phone call from the airport telling her to pick him up. Nick is from Gary, Ind. Incidentally, while talking to Dorothy about above, discovered that all her family is "nuts" about planes and flying, and her brothers run the hometown airport.

Circle No. 1 held its monthly meeting last Wednesday night at the Dalemead St. home of Mrs. Joyce Radtke. The evening was enjoyed by Mrs. Melba Burger, Peggy Gehres, Ila DeMott, Jean Cramer, and Dorothy Gunn. After business, a brief Bible study, the women enjoyed delicious lemon chiffon pie with whipped cream.

Sixteen Girl Scouts of Troop 892 had a good time at a luscious hamburger barbecue at the home of their leader, Mrs. Nannery, on Dana St. The girls ate "fit to bust," and then topped off the meal with ice-cold watermelon. During the summer various projects will be carried out, with emphasis on ceramics. All their summer meetings will be held at the Nannery residence.

We in our house celebrated a big event last Sunday—our baby daughter's very first birthday. Present to help blow out that one candle on the pink and white birthday cake were great-grandma Mrs. Aitken, grandmothers Mrs. Ziemer and Mrs. Dowd, and Uncle Lawrence. Of course mama, daddy and brother helped too, especially where the fried chicken dinner was concerned. At any event, Marilee turned out to be the best dressed gal in the neighborhood, with all her pretty new birthday clothes.

Speaking of Gerrie Bowen, she really had a busy time of it since Friday. She went to a double stork shower in Arcadia in honor of two sisters, both old friends. The afternoon was complete with a luncheon in Arcadia followed by the shower, and the return home late in the day.

A group of the Pandora Club ladies spent a delightful evening last Thursday when they went to the Biltmore Hotel in Hermosa Beach for a delicious dinner.

Seems a new face soon will be added to the barber shop on Hawthorne Blvd. since a third barber is coming about the 20th of the month. He is Chick Sewell and his family, in our community. Chick formerly lived here, but has not been in the state for a number of years. He has most recently been in Colorado Springs, Colo., and New Mexico.

Talking about making Walteria their stamping grounds are the Baldwins and their family of five children, recently arrived from Sacramento. Mrs. Baldwin, Ruth, is sister to Bud and Bill Corey of Hawthorne Blvd.

Carla Cramer and Marilyn Olding have recently returned from a week's camping trip spent at Camp Wrightwood in the Angeles Forest. Both girls returned with a couple of new bumps and a little deeper tan, but minus any snake bites or other mishap and telling one and all they had a marvelous time.
